**SDC Steering Committee Conference Call
April 4, 2006**

Agenda Items:

- Annual Meeting
- MOA's

The SDC Annual Meeting will be held October 11-13, 2006 at the Hilton Alexandria Mark Center (<http://www.hilton.com/en/hi/hotels/index.jhtml?ctyhocn=DCAAHHE>) located at 5000 Seminary Road in Alexandria, Virginia.

There was some concern with holding the annual meeting jointly with the CIC network as the topics of interest for the two groups may not always coincide. As the agenda comes together, the topics of joint interest will be evaluated and the main meeting room can be divided into two rooms, if needed.

The need for more ACS training was voiced as well as a repeat of the Media training session from the Mid-Year Meeting. Census Bureau speakers would like to have questions in advance of the conference to help in the preparation of presentations. If you have questions you would like to see addressed at the Annual Meeting, please contact CLO.

Almost all of the MOA's have been received by CLO. New username and passwords will go out to SDC leads [Note: the new username and passwords have already been sent out].

The deadline for the Annual Report is May 1st. Two have been received so far by CLO.

Evaluations from the Mid-Year Meeting are still trickling in. To date, only 11 evaluations have been received from the 37 attendees. If you attended the Mid-Year Meeting, please take a moment to complete the evaluation as this helps in the planning of the Annual Meeting.
