Confirm Sessions and Review Changes for Conference

There were a few final additions, deletions and shifting of programs to finalize the agenda for the conference to accommodate presenters who could not be present or had to change plans.

Confirm Travel Plans Converted from SATO to ADTRAV

The switch did not proceed as smoothly as anticipated, but hopefully everyone has set up their ADTRAV profiles. If anyone needs assistance, call Frank.

Review Draft of Tree State Assignments

Xan compiled a new list of tree state assignments which were accepted by the committee. See below.

LUCA Non-Response Follow-Up

States will be able to access a listing of LUCA registrations on a weekly basis from the Census Bureau's secure website. In addition, states should work with their Regional Office in order to determine a LUCA Non-Response Follow-Up plan.

Change in Lunch Plans

The Regional Office staff will not be able to attend the conference so instead of lunch with them, Renee will ask Lisa Blumerman if she can join the committee for lunch on the second day. The first day lunch will be spent with Tree States. Xan will also contact Dr. Murdock to see if he would be able to meet with us during our stay in DC.
